Residential Leak Adjustment Application

Customer Name: _____ Account #: _____
Service Address: _____
Phone Number: _____ Email: _____

Wenatchee City Code WCC 9.12.540 allows for one credit per service address in a two-year period and does not provide water credits for leaks that occur in plumbing, fixtures, or irrigation. Payments or an arrangement to pay the balance due during the investigation period must be made to avoid delinquency charges and water shut off.

The following criteria will be considered to determine a billing credit:

- 1. Leak must be in main water supply line and available credit is limited to 2 billing cycles (4 months).**
- 2. Action taken within 30 days of notice sent by City or upon discovery by customer if that occurs first.**
- 3. Documentation of repair must be provided (i.e. repair invoice, receipts, pictures, etc.).**
- 4. Complete application and submit with repair documentation.**

Please complete the following information:

Name and phone number of property owner, if different than above: _____

Who occupies the property now? Owner Tenant Property is vacant

Was property occupied at the time of the leak? Yes No

Date leak was discovered: _____ Date leak was repaired: _____
