Conditions of the Concessions Permit

Vending will only be allowed in certain public parks and recreation facilities as determined by the Arts, Recreation and Parks Commission. Permits shall be issued only after approval of a vendor's application by the Parks, Recreation and Cultural Services Director and after payment of a permit fee.

Short term, single season concessions shall be completed through the concession permit application process described below. City provided permanent or semi-permanent concession structures or areas shall be awarded on a competitive basis through a request for proposals process completed on an annual basis as openings become available. In most cases permanent or semi-permanent concessions shall be granted for a five year period through a specific concession agreement reviewed by the Arts, Recreation and Parks Commission and approved by the City Council.

- 2) The fee shall be sufficient to cover all direct and indirect costs and expenses of the city and shall be reviewed annually by the Arts, Recreation and Parks Commission and approved by the City Council.
 1. Activities sponsored by the City of Wenatchee Parks, Recreation and Cultural Services Department receive first priority use and shall be exempt from any fees.
 2. Activities sponsored by non-profit organizations in which 50% or more of the participants reside in the City of Wenatchee shall be exempt from any fees. These organizations must provide civic, educational, athletic benefits to Wenatchee residents to be considered in this category.
 3. Activities sponsored by other organizations or City departments that do not meet the residency requirements and all other users not addressed in the previous two categories shall be charged a permit fee.
 4. Payment of all concession fees shall be made at the time of application approval.
 5. Concessionaire responsible for taxes. The Concessionaire shall be solely responsible for the payment of any taxes imposed by any lawful jurisdiction as a result of the performance and payment of the concession permit; including, but not limited to, leasehold excise tax.
- 3) Concessionaires interested in selling in public parks will be required to apply for a concessions permit specific to each park. The awarded contract will be for a term of one season (6 months) and the City of Wenatchee will have the right to review the location where the vendor will be selling, the price being charged and the product being sold to ensure that the appropriate concessions are being sold.
 1. Products being sold must complement the needs of park users.
 2. The City of Wenatchee reserves the right to allow more than one vendor per park and to limit the number of concessionaires at a facility.
 3. Permitted concessionaires will not be allowed to sell their concessions at permitted special events and events used as fund-raisers for non-profit organizations, unless authorized to do so by the event organizers. (Examples: Apple Blossom Festival, City Concerts and Movies in the Park, Fiestas Mexicanas, etc.). Only non-profit 501c (3) corporations may host fairs, festivals, or other events requiring an admission fee and/or including vendor booths.

- 4) Parties interested in selling a service or organizing a sports camp or instructional clinic in a city park are required to obtain a sale of service permit to make available, to the general public, their service, clinic, or camp. All permits must be received at least 15 calendar days before the start of the event. Fees for the sale of service permit will be reviewed annually by the Arts, Recreation and Parks Commission and established by the City Council in the City fee ordinance.
- 5) The application for a concession permit to operate in a public park or recreation facility shall include, on a form prescribed by the city, the following information:

Such insurance policy shall name the city as an additional insured and shall provide that the policy shall not terminate or be cancelled prior to the expiration date without thirty (30) days advance written notice to the city. In addition, the vendor shall indemnify the city against any and all liability, loss or damage that the city may suffer as a result of claims, demands, costs or judgments resulting from the vendor's vending in city parks or recreation facilities.

If the issuance of the permit is approved, the Parks, Recreation and Cultural Services Department Director or designee shall issue the permit. If the permit is denied, the applicant shall be provided with a statement of the reasons therefore, which reasons shall be entered in writing on the application. The applicant shall be entitled to appeal the denial of the permit to the Arts, Recreation and Parks Commission.
