Planning Manager Stephen Neuenschwander

Mayor Frank Kuntz called the work session meeting to order at 5:15 p.m.

DISCUSSION ITEMS:

A. Hearings Examiner Annual Report.

Hearings Examiner Andy Kottkamp presented his 2017 annual report, which recapped six conditional use permit applications and decisions, one plat alteration, and one planned residential development application. He thanked the staff for their professionalism in the preparation and presentation of staff reports in a succinct and easily comprehensible format, which makes his job easier.

B. Bitcoin Land Use Discussion.

Chelan County PUD Staff presented information on the issue of cryptocurrency/Bitcoin mining and the significant increase in requests for service. Considering that the energy consumption for cryptocurrency mining is 100x more per square foot than every day energy consumption, it creates a new challenge to public health and safety and it is important that the city and the PUD collaborate in establishing regulations for this new use. The PUD has requested that the city implement land use controls.

C. 2018 Work Plan Highlights.

Department Directors then recapped their 2018 Work Plans. Departments highlighting their 2018 work plans were: Community Development, Police, Public Works, Economic Development, Information Systems, Finance, Parks, Recreation & Cultural Services, and Executive Services/Administration.

With no further information to discuss, the meeting adjourned at 7:38 p.m.

MEMO

Parks, Recreation and Cultural Services Department

To: Mayor Kuntz and City Council Members
From: Dave Erickson, Parks, Recreation and Cultural Services Director
Date: November 21, 2017
Re: Arts, Recreation and Parks Commission appointments

ACTION REQUESTED

Move approval of Resolution 2018-01 re-appointing Raylene Dowell to position three of the Wenatchee Arts, Recreation and Parks Commission with a term expiring December 31, 2020.

BACKGROUND – ARTS, RECREATION AND PARKS COMMISSION

The Arts, Recreation and Parks Commission is a nine-member citizen volunteer commission that serves in an advisory capacity to the Wenatchee City Council. The primary functions of the Commission are to:

- Review and make recommendations concerning recreation program offerings of the City.
- Oversee the City's art collection and comprehensive arts program.
- Provide recommendations regarding the acquisition, development and maintenance of park areas.
- Serve as the City Forestry Board and oversee the Urban Forestry Program.
- Review and make recommendations regarding the implementation of the City Parks, Recreation and Open Space Plan.
- Provide advice and make recommendations concerning the Wenatchee Community Center.
- Review art, recreation and park related proposals.
- Complete regular reviews of fees and charges for services.

Raylene Dowell just completed her first term on the Commission and would like to be reappointed for a second term.

At their January 16, 2017 meeting, the Arts, Recreation and Park Commission interviewed the candidates and recommend the appointments and re-appointment.

A copy of her application is attached.

City of Wenatchee Volunteer Board, Commission and Committee Responsibilities

To be selected and serve as a City of Wenatchee volunteer Board, Commission or Committee Member is a high honor and provides an unusual opportunity for genuine public service. Although the specific duties of each of the City's Boards vary widely with the purpose for which they are formed, there are certain responsibilities that are common to all members. As a volunteer Board, Commission or Committee representative of the City of Wenatchee, I agree to:

1. Understand my role and scope of responsibility. I will be informed of the individual group's scope of responsibility and operating procedures.
2. Represent the majority views of the group. Individual "opinions" to the public and press are discouraged, and, if given, must be identified as such.
3. Practice open and accountable government. I will be as open as possible about my decisions and actions, and also protect confidential information.
4. Represent the public interest and not special interest groups.
5. Not make decisions in order to gain financial or other benefits for myself, my family, or friends.
6. Serve as a liaison between the City and its citizens and can help reconcile contradictory viewpoints and to build a consensus around common goals and objectives. I will serve as a communication link between community, staff, and City, representing City programs and recommending and providing a channel for citizen expression.
7. Understand my role as a supportive relationship with the City Council and City staff and to follow the proper channel of communication through the designated staff person providing support for the group.
8. Do my homework and be thorough in recommendations. I will review agenda items under consideration prior to the meeting in order to be fully prepared to discuss, evaluate, and act on all matters scheduled for consideration. My conclusions will be based on careful preparation to strengthen the value of the group's recommendation.
9. Adhere to the highest standards of integrity and honesty in all endeavors and strive to safeguard the public trust. I shall announce any direct or remote conflict of interests prior to the discussion (RCW 42.36).
10. Understand that my authority is limited to decisions made by the group, and that in most cases, the decisions are advisory.
11. Understand that in my role I recommend policy while administrators and staff carry out approved policy.
12. Establish a good working relationship with fellow group members. I will respect individual viewpoints and allow other members time to present their views fully before making comments. I will be open and honest and welcome new members.
13. Not use or involve my membership in the conduct of political activities. However, I am not restricted from participating in political activities outside of my involvement in the group.

I hereby pledge to be positive in my role as a volunteer with the City and accept responsibility for my participation.

Council Agenda Report

From: Kari Page, Director of Human Resources

RE: **Bus Pass Program**

Date: January 25, 2018

Overview / Background:

In response to employee interest, Human Resources has developed a Bus Pass Program Policy to provide regular employees an alternative environmentally friendly and economical mode of transportation to and from work. A recent survey resulted in interest from eighteen (18) employees who would consider joining this program. This would be eighteen (18) less vehicles on the road, and needing parking spaces, at least three times per week. This program was presented to the Finance Committee on January 11, 2018 and approved for Council consideration. The draft Bus Pass Program Policy is attached along with a draft Bus Pass Program Agreement form.

Budget Impact:

Approximately \$7,500 annually based on eighteen (18) employees. The annual cost is determined by the number of employees riding. The cost for 2018 will depend on the number of employees willing to commit to program guidelines. Once the program starts, other employees can begin riding without any additional cost to the City in the program year. The program would be renewed each year based on the number of riders the prior year. Cost increases are capped at 25%, so even if ridership doubles, our costs would only go up 25% per year.

Action Requested:

Motion to approve the City of Wenatchee Bus Pass Program Policy which provides regular employees an alternative environmentally friendly and economical mode of transportation to and from work.

POLICY

Subject: Bus Pass Program
Effective Date: February 1, 2018

PURPOSE

To provide regular employees an alternative environmentally friendly and economical mode of transportation to and from work.

GUIDELINES

1. When an employee pledges to ride a Link Transit bus to and from work an average of three (3) times per week, Human Resources will issue an annual pass, free of charge, that is good at any time on routed buses.
2. To obtain a Link Transit bus pass, the employee must sign an agreement that the bus pass will be used for commuting to and from work an average of three (3) times per week. This signed agreement shall be renewed on an annual basis.
3. Bus passes will be issued each year through Human Resources. Employees shall be responsible for picking up their passes from Human Resources.
4. If a bus pass is lost or stolen and not recovered, the employee will be required to pay for another pass if they desire a replacement.
5. Should an employee cease riding the bus at least three (3) times per week it shall be understood that he/she will no longer be eligible for the Link Transit bus pass provided through the City and must return the pass to Human Resources.

ATTACHMENTS

Bus Pass Agreement

Prepared by: Human Resources (KP)
Last Revised: 01/22/18

BUS PASS PROGRAM AGREEMENT

I acknowledge that I have read and understand the City of Wenatchee Bus Pass Policy. I understand that bus passes will be issued and managed in accordance with this policy.

I understand that in order to receive a free Link Transit bus pass, I must ride the bus to and from work an average of three (3) times per week.

Should I stop riding the bus as described above, I understand that I am no longer eligible for the Link Transit bus pass and must turn my pass in to Human Resources.

I have read, understand and agree to the Bus Pass Program policy conditions as outlined above.

MEETING DATE: January 25, 2018

I. OVERVIEW

The project included approximately 1,946 linear feet of 8 inch sanitary sewer main line in Elmwood Street, Crabapple Lane, Huckleberry Lane, and Bluegrass Lane. As part of the construction, a total of 35 four inch side sewer services were installed for use by the residents. Several locations required the relocation of existing PUD water lines and services. This work was coordinated and completed prior to the installation of the new sewer. Alternative materials were also used in the design and construction of the new sewer to help mitigate the financial impact of existing utility relocation and reduce overall construction costs.

The Contract was awarded in April of 2017 to Selland Construction, LLC. For the amount of \$433,077.51. Construction was completed in September of 2017.

A total of 5 change orders were issued during the course of the project totaling \$8,095.34. These changes were the result of previously unidentified and unknown irrigation lines and conduits along with additional paving that was necessary due to the generally poor condition of the existing asphalt. Due to both increases and reductions in quantities of materials and soil conditions, the net price increase to the project was \$6,583.63 for a total construction cost of \$439,661.14.

The total project budget is \$593,200 with \$504,600 allocated to construction activities. Initial design along with construction inspection and administrative services from Pacific Engineering totaled \$74,285. Construction activities are complete. The engineering contract with Pacific Engineering is complete. The overall project will be under budget upon closeout.

II. ACTION REQUESTED

Staff recommends the City Council accept the work performed by the contractor, Selland Construction, Inc. on the Elmwood Subdivision Sanitary Sewer Extension, Project #1610, and further authorize the Mayor to sign the Final Contract Voucher Certification on behalf of the City of Wenatchee.

SUBJECT: Elmwood Subdivision Sewer Extension - Project No. 1610
Authorization to Award Construction Contract

DATE: April 3, 2017

MEETING DATE: April 13, 2017

I. OVERVIEW

The Elmwood neighborhood is an existing, established part of the community currently served by individual, privately-owned septic systems and supplied with domestic water by the Chelan County PUD. Project 1610 will install approximately 1,946 linear feet of 8 inch sanitary sewer main line in Elmwood Street, Crabapple Lane, Huckleberry Lane, and Bluegrass Lane. Associated individual side sewer services will be installed for each unserved residence internal to the neighborhood.

The project plans and specifications were prepared by Pacific Engineering & Design, P.L.L.C. A request for bids was issued through a public advertisement on March 6, 2017. Six sealed bids were received and opened on March 30, 2017. Selland Construction, Inc. is the low bidder at \$433,077.51. Pacific Engineering & Design's construction cost estimate was \$477,814.00 and the high bid was \$672,813.87.

II. ACTION REQUESTED

Staff recommends the City Council award the contract for construction of the Elmwood Subdivision Sanitary Sewer Extension Project, Project #1610 to Selland Construction Inc. in the amount of \$433,077.51 and further authorize the Mayor to approve the construction contract.

III. FISCAL IMPACT Submitted to the Finance Committee (Yes) No

Project design costs were approved by the Finance Committee in March of 2016. Funding was established as part of the 2017 Capital Improvement Project Budget and allocated through the sewer utility fund #401. Reimbursement will be through connection charges to be determined on a per lot basis and collected as properties apply for sewer service.

SUBJECT: Stormwater Effectiveness Study Interlocal Agreement

DATE: January 17, 2018

MEETING DATE: January 25, 2018

I. OVERVIEW

The City of Wenatchee is covered under the Eastern Washington Phase II Municipal Stormwater Permit issued by the Washington State Department of Ecology under the Federal Clean Water Act. During the first permit cycle from 2007 to 2014, the effectiveness of the permit was demonstrated by the implementation of a stormwater management program in compliance with the permit requirements. The City is currently under the second issuance of the permit which requires cities and counties to further demonstrate that water quality is being protected by participating in Stormwater Management Program Effectiveness Studies. The permit requires that cities and counties in Eastern Washington collaborate on the selection, proposal, development, and completion of at least eight but no more than twelve studies.

In 2016, the Eastern Washington communities submitted to Ecology a ranked list of fourteen effectiveness study ideas. The Mobile Contractor Illicit Discharge Education and Outreach study was proposed by the Wenatchee Valley Stormwater Technical Advisory Committee and was ranked fourth. The study then moved forward to a detailed study design proposal which was approved by Ecology in November of last year. Up to this point, the effectiveness study work has been funded through grants from Ecology and managed by Art Jenkins, P.E., with the City of Spokane Valley.

For the final implementation phase of the effectiveness studies, the City of Wenatchee will be the lead agency for the Mobile Contractor Illicit Discharge Education and Outreach Study in partnership with seven other Eastern Washington communities. Three of the those communities, Chelan County, Douglas County, and East Wenatchee have agreed through the proposed interlocal agreement to provide funding for the project as well as staff time. The other four communities, City of Ellensburg, City of Kennewick, City of Spokane Valley, and City of Pullman, will provide in-kind services including review of documents, participation in surveys, auditing and quality control for the study.

II. ACTION REQUESTED

Staff recommends the City Council authorize the Mayor's signature on the interlocal agreement for development and implementation of an effectiveness study related to regional stormwater management and permit compliance.

III. FISCAL IMPACT Submitted to the Finance Committee Yes No

The project including staff time is expected to cost a total of \$25,000. The cost will be split evenly between the four jurisdictions. The City of Wenatchee's share of the cost has been budgeted in the permit compliance section of the stormwater utility budget.

IV. PROPOSED PROJECT SCHEDULE

The final study design is due to the Department of Ecology in May. The study is expected to start this summer or fall and wrap up by July 31, 2019.

**INTERLOCAL AGREEMENT FOR
DEVELOPMENT AND IMPLEMENTATION OF AN EFFECTIVENESS STUDY RELATED TO REGIONAL
STORMWATER MANAGEMENT AND PERMIT COMPLIANCE**

This agreement (“Agreement”) is made and entered among Douglas County, Chelan County, the City of Wenatchee (“Wenatchee”) and the City of East Wenatchee (“East Wenatchee”), collectively the “Parties”.

WHEREAS, Chapter 39.34 RCW provides for the formation of interlocal agreements that enable local governments to effectively cooperate with each other to the benefit of local communities;

WHEREAS, the Federal Clean Water Act, 33 U.S.C. § 1251 et seq. and the Phase II Stormwater Final Rule promulgated by the U.S. Environmental Protection Agency (“EPA”) require the operators of certain small municipal separate stormwater sewer systems to obtain National Pollutant Discharge Elimination System (“NPDES”) permit coverage;

WHEREAS, in Washington State, the EPA has delegated authority for the Federal Clean Water Act, including development and administration of the Phase II municipal stormwater management program, to the Washington State Department of Ecology (“Ecology”);

WHEREAS, Douglas County, Chelan County, Wenatchee and East Wenatchee are covered under the Eastern Washington Phase II Municipal Stormwater Permit;

WHEREAS, on August 1, 2012, Ecology issued the current Eastern Washington Phase II Municipal Stormwater Permit (“Permit”), Effective Date: August 1, 2014; Permit Expiration Date: July 31, 2019;

WHEREAS, Douglas County, Chelan County, Wenatchee and East Wenatchee entered into a MEMORANDUM OF UNDERSTANDING FOR STORM WATER MANAGEMENT PLANNING in January 2004,

under which Douglas County, Chelan County, Wenatchee and East Wenatchee have developed and implemented a regional stormwater management program to comply with the Permit;

WHEREAS, Section S8.B of the Permit requires each city and county to collaborate with other permittees to select, propose, develop, and conduct Ecology-approved studies to assess, on a regional or sub-regional basis, effectiveness of permit-required stormwater management program activities and best management practices;

WHEREAS, Section S5.B.1.a of the Permit requires all permittees to implement a public education and outreach program designed to achieve improvements in the target audience's understanding of the problem and what the Parties can do to solve it. One of the minimum requirements is that permittees shall provide information for businesses about preventing illicit discharges, including what constitutes illicit discharges, the impacts of illicit discharges, and promoting proper management and disposal of wastes;

WHEREAS, the Parties developed, voted and submitted a final ranked list of stormwater management program effectiveness studies to comply with Section S8.B.2 and Section S8.B.3 of the Permit by June 30, 2016;

WHEREAS, the proposed study titled "Mobile Contractor Illicit Discharge Education" (the "Study") was ranked fourth out of the fourteen proposed studies submitted to Ecology; and

WHEREAS, the Parties wish to continue their cooperative approach for compliance with state and federal standards for stormwater management.

NOW, THEREFORE, the Parties hereby agree as follows:

1. The Recitals above are incorporated and made part of this Agreement.
2. Wenatchee shall be the lead agency for the purposes of the Study
3. The Parties will work together to accomplish the Study.
 - a. The Parties will cooperatively select a consultant to conduct a survey of mobile contractors and provide a report of the survey results.
 - b. The consultant will contract with Wenatchee for the accomplishment of study activities when approved by the Parties.
 - c. The Parties will review and submit a final report to Ecology at the end of the Study.
4. The Study shall be funded in equal shares by each of the Parties. Each Party's contribution shall not exceed \$6,250.
5. This Agreement does not create any separate legal or administrative entity, and the parties will not acquire nor dispose of real or personal property for use in this undertaking.

6. This Agreement is effective upon signature by all Parties and filing with the Chelan County Auditor. This Agreement shall remain in effect through the end of the Permit cycle unless terminated earlier pursuant to its terms.
7. Any Party may withdraw from the Agreement upon thirty (30) days' written notice to the other Parties.
8. This Agreement shall terminate upon the withdrawal of at least three (3) of the Parties, or by written agreement of all Parties.
9. The Parties' authorized representatives and contact persons for administration of this Agreement, communication, and service of all notice, except service of process are:

Chelan County: Jason Detamore
316 Washington Street, Suite 402
Wenatchee, WA 98801

COUNCIL AGENDA REPORT

TO: Frank Kuntz, Mayor
City Council Members

FROM: Allison Williams, Executive Services Director

SUBJECT: Ordinance 2018-05 regarding Civil Infractions for snow/ice removal

DATE: January 22, 2018

Overview: The city has updated code regarding the removal of snow and ice – WCC 7.24.070. After its implementation however, our City Attorney has indicated that in order for our code enforcement department to issue citations they need to be specifically authorized through WCC 7.80.050 by adding the definition of an enforcement officer to include our Code Enforcement officers. Ordinance 2018-05 will make that change.

Action requested: Motion to approve Ordinance 2018-05 amending ordinance 2012-37, Section 1 also cited as WCC 7.24.070 as it relates to who make issue civil infractions for snow and ice removal.

ORDINANCE NO. 2018-05

AN ORDINANCE, amending Ordinance 2012-37, Section I also cited as WCC 7.24.070, as it relates to who may issue civil infractions for snow and ice removal violations.

WHEREAS, the City of Wenatchee has a snow and ice removal code codified as Chapter 7.24 of the Wenatchee City Code (“Code”);

WHEREAS, violations of the Code are a class 4 civil infraction that are enforced pursuant to Chapter 7.80 of the Revised Code of Washington;

WHEREAS, RCW 7.80.050 permits an enforcement officer to issue the infraction;

WHEREAS, RCW 7.80.040 defines an “enforcement officer” as a person authorized to enforce the provisions of the ordinance in which the infraction is established; and

WHEREAS, the City of Wenatchee would like to include in the definition of “enforcement officer” in RCW 7.80.040 the Code Enforcement Officers that operate under the Department of Community Development.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF WENATCHEE DO ORDAIN as follows:

SECTION I

Ordinance 2012-37, Section I, codified as Wenatchee City Code 7.24.070, is hereby amended to read as follows:

7.24.070 Chapter 7.80 RCW sections adopted by reference.

The following sections of the Revised Code of Washington (“RCW”), as now or hereafter amended, are hereby adopted by reference as part of this chapter in all respects as though such sections were set forth herein in full: RCW 7.80.005, 7.80.010, 7.80.020, 7.80.030, 7.80.040, 7.80.050, 7.80.060, 7.80.080, 7.80.090, 7.80.100, 7.80.110, 7.80.120, 7.80.130, and 7.80.160.

For purposes of this chapter of the Wenatchee City Code and RCW 7.80.040, “enforcement officer” shall include any Code Enforcement Officer of the Department of Community Development for the City of Wenatchee.

SECTION II

If any section, subsection, sentence, clause or phrase of this Ordinance is declared or judged by a court of competent jurisdiction to be invalid or unconstitutional, such adjudication shall in no manner affect the remaining portions of this Ordinance which shall be in full force and effect as if said section, subsection, sentence, clause or phrase so declared or adjudged invalid or unconstitutional were not originally a part hereof.

SECTION III

This Ordinance shall take effect thirty (30) days from and after its approval and publication as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF WENATCHEE, at a regular meeting thereof, this _____ day of _____, 2018.
