Policy R-1: SIDEWALK FACILITY MAINTENANCE POLICY

Sidewalks and driveway aprons are considered a Pedestrian Access Route (PAR). Any improvement or alteration to the PAR shall include total replacement of the facility to meet ADA standards. The repair of tripping hazard caused by a crack, settlement, lift, etc. within the PAR, is considered a repair of an uneven surface to eliminate a tripping hazard in the PAR and will be considered facility maintenance provided that the repair will not make the PAR any worse than currently exists.
