It is unlawful for any person utilizing a public water system to fill a tank or other container without a proper air gap. It must be 2 times the diameter of the fill pipe with a minimum of a 1" gap. This valve is equipped with a Reduced Pressure Backflow Assembly. It is unlawful to tamper with, remove, or replace assembly per City of Wenatchee code 9.13. If there is a problem with the assembly, call the public works department at (509) 888-6200. Any damage to the hydrant valve will be the responsibility of the person completing this form. Charges will be billed accordingly.

Also, it is the responsibility of the person completing this form to call the City of Wenatchee at (509) 888-6200 when they are finished and request removal. YOU WILL BE CHARGED FOR THE TOTAL DAYS THE VALVE IS ON THE HYDRANT PRIOR TO YOUR REQUEST TO REMOVE IT, WHETHER IT IS USED OR NOT.
